

The Green Timbers Heritage Society

VOLUNTEER OPPORTUNITY REQUEST FORM

Our Mission

Volunteer Resources leads the growth and development of the City of Surrey's volunteer movement by:

- *Continually diversifying the volunteer opportunities available to our community,*
- *Collaborating with our partners to improve current community engagement practices and tools,*
- *Providing training and resources to volunteers and those who work with them,*
- *Reaching out to our residents, and embracing the diversity represented in our city.*

Surrey Parks Eco Ranger

The Eco Rangers provide Surrey Park's visitors with more meaningful park experiences by providing public education opportunities on natural and cultural history. Surrey is fortunate to have many beautiful natural area parks that provide homes and food for a great diversity of wildlife. The Eco Rangers make others aware of the importance and value of the natural areas in their own community and the wildlife that need them for survival.

Skills and Experience

- Must be 16 years and older
- Have a keen interest in nature
- Willingness to learn
- Outgoing and enthusiastic
- Fluent in English, second language is an asset
- Must attend all of the training sessions
