Round table format

No strategic planning this time.

First "invoice" PO sent in by Nathan Ross to the City for the SNAP program.

Nathan gave the low-down on new Parks personnel at the City.

Susan's funeral: on the website. No obituary done. Deanna said she'd write something up. Too late to get in the paper.

Metro has hired some people for reporting. Might be a new avenue for sending stories to.

SNAP: hiring. Just about everyone nailed down. Another good strong team. 14 plus 2 more in July and August. Field Operations Supervisor: only a few applicants because of a number of factors. Will probably withdraw from that grant, no bridges burnt. Will apply again, with a few lessons learned.

Promotional postcard for Party for the Planet discussed.

June 9 anniversary discussed. Should we also organize a dinner or picnic?

Jim was in Victoria at the archives. Found some interesting photos from 1923.

Don and Jim will walk-about Wed Apr 18 to look at the highway's heritage items, and look for piles of garbage.

Surrey Clean Sweep April 21-28. Organize for April 22 if not too late. Follow-up: registration site is closed, trying an email.

Meeting Adjourned:

- 8:10 pm
