Green Timbers Heritage Society Meeting SNAP Update – April 21, 2016

Hiring:

- One of our Environmental Outreach (EO) team members has withdrawn her application.
- I have contacted the only other suitable candidate but she has also since been hired.
- I am looking into the possibility of hiring an additional Habitat Restoration (HR) team member to balance a smaller EO team.

Budget:

- I have been briefed on the budget by Nadia and have updated the figures to represent our budget this year. See the attached budget proposal #1.
- There is a high likelihood we will come in under budget.

Funding:

- I've gotten our purchase order generated through the city. Our first invoice can be submitted May 1 for \$50,000.
 - Two subsequent invoices will be accepted by the city on June 1 and July 1 for the same amount.
- John Aldag (Cloverdale/Langley City) has been the only MP that I've been able to arrange a meeting with. Diane Watts' (South Surrey/White Rock) office was also receptive to SNAP so I'm hopeful she will support us.
- I've contacted the federal government about the Canada Summer Jobs funding timeline. Decisions will be made in writing in May.

Procurement:

- Vehicle magnets are ready to be made up. We've been invoiced \$280.00
- SNAP shirts have been approved but I noticed an error on their invoice, so I'm waiting to get it amended. The amount should be approximately \$1042.44.

Cheques and Petty Cash

- Petty cash is at \$103.61.
- In the past, fuel has been the greatest expense coming from petty cash.
- I've budgeted \$1000 in fuel use for the 4 vehicles per month (\$300/truck & \$200/van).
- We will need to work out a system for replenishing the petty cash float.

BC Gaming Account

• An email was sent by Steve before he left last year indicating that our BC Gaming Account required reports to be filed within 90 days of GTHS's fiscal year-end (Sept. 30), putting us overdue if they have not been sent.

Next Steps:

- Build the summer calendar for both teams.
- Create the master schedule for the EO team.
- Potentially fill the final position with the HR team.
